

## My Computer Mouse

I've got a mouse  
I play with every day  
He runs across the mat  
And his tail is long and grey  
He doesn't like cheese  
He likes playing games  
He's not afraid of cats  
He hasn't got a name

He's my computer mouse  
He's my double click, single click  
Run around the mat computer mouse  
Left click, right click, double click. OK!

I've got a keyboard  
I use it every day  
He's got a lot of letters  
We've got a lot to say  
We write a lot of emails  
'Cause we've got lots of friends  
When we've written them  
I ask my mouse to click on send

He's my computer mouse  
He's my double click, single click  
Run around the mat computer mouse  
Left click, right click, double click. OK!

He clicks on my screen  
I turn my speakers on  
He opens up the programmes  
On my CD Rom  
Then we turn up the sound  
And we turn off the lights  
And we play lots of games  
And chat with friends all night.
